ST. MARY ANNE'S EPISCOPAL CHURCH
North East, Maryland

Built in 1742 on the site of the first St. Mary's Church, which was built in 1706, when North Elk Parish was established. The initials of the original vestry are still legible on the cornerstone. The sterling silver communion vessels were granted from Queen Anne's bounty in 1717.

Address

Dear Uncle + Aunt.
This is Elmer Church
I am here busy going and
doing. a lot of running. a
round. But I am enjoying it
Going to Washington this
evening some time. Pretty
much the same and I am going
along with him Love Ethel
